**Re:** Notification of RFP Revision

---

Dear Vendors:

Please be aware that DIS has released today Revision 2 to RFP T04-RFP-007. The release contains several important changes, including the following:

1. Vendors had been required to resell Microsoft Consulting services and provide an hourly rate for resale of Microsoft Consulting Services. Vendors are now required to provide a percentage Markup/Markdown that they intend to charge for the rates provided to them by Microsoft, along with the rates provided to Gold Certified Partners for Resale to DIS. This led to changes to 4.2, 6.6, 7.2, and Appendix E.
2. Fixed some erroneous appendix references.
3. Updated the RFP schedule to extend certain due dates for the acquisition, including the response deadline.

The document is available on the DIS Techmall at <http://techmall.dis.wa.gov/procurement/procure1.asp>. All changes in the RFP since Revision 1 are redlined.

Please feel free to contact me at 360-725-5975 or [brycec@dis.wa.gov](mailto:brycec@dis.wa.gov) if you have any questions concerning this announcement.

Sincerely,  
Bryce Carlen
